SETT TRADE FAIR REPORTED

See in you in Montpellier on 23, 24 & 25 February 2021

Given the health context linked to the COVID-19 epidemic and following the more restrictive government measures announced by the Minister of Health, in particular the temporary ban on events of more than 1 000 people in Montpellier, the Outdoor Hospitality Trade Federation of Languedoc Roussillon and partner federations are forced to postpone the Sett Trade Fair **scheduled for November 3, 4 & 5, 2020 to February 23, 24 & 25, 2021.**

The organizers have worked these recent months on the realization of Tourism Equipment and Techniques Trade Fair, in compliance with the health protocol imposed by the government while maintaining the convivial spirit of this event. But, due to recent changes in constraints and in order to avoid incurring additional costs, with a growing risk of last minute cancellations, we want to anticipate and postpone the event.

The SETT will welcome you in a more serene environment.

SETT team is now working to prepare for this reunion, which is as festive as it is productive, and thanks you for your trust.

As a reminder :

- The Salon Sett will take place from 23 to 25 February 2021
- The November 2021 edition is maintained and will be held on the usual dates: November 2, 3 & 4, 2021

See you soon,
Sett team
